Helping the Hopeless. Rebuild Lives

Spring Newsletter 2010

“Trust in the LORD with all thine heart; and lean not unto thy own understanding”.

My self and our staff here at Charity Mission are trying to get a bunch of men who have, all their lives trusted in their own selves to learn to trust in the LORD. We are trying to build some character into a bunch of characters. It is not easy to do, but they must learn to allow the LORD to have control of their lives. You would think that because most of them have made such a mess of their lives that, that would be a easy thing to do but old ways are hard to overcome. Please pray for these men and us as they grow in the LORD.

Right now we have fourteen men in our program. That is two more than we have room for, so two of them are sleeping on the floor. Pray that under these crowd conditions that the men can put up with each other and there would be unity and peace in the Mission House. We have two men that will be leaving very soon so that will help.

We always have some men that have been in our program and get back out in the world and end coming back to us and asking for help again. The reason this is, is because there is not many programs like ours where a man can truly get the help needed. That help is spiritual help and these men know that. Pray for us that we may continue giving a hand up not a hand out to those who need it and will receive it.

Thank all of you that help us in anyway and pray for us and may continue to bless you.
