Praise the Lord:

3 New Supporting Churches!

We were able to get a new laptop!

For churches that pray for us!

For our supporting churches!

Where We've Been:

The Lord has been good to us and allowed us to be in some great churches for meetings and missions conferences!

In February, we were able to be in a missions conference in Columbus, Georgia! For us it was like a personal revival to keep pursuing Norway and the souls that need Christ! We also had a missions conference and some meetings in Illinois-which were great! But, another highlight for us was that we were able to be in our home church for their missions conference! It is always great to be home and it was nice to once again preach and share our burden for Norway with them!

March brought us to another missions conference and a few meetings in Oklahoma! Again, the Lord put us in churches that were more of a blessing to us than we probably were to them! God just kept using churches to help ignite our fires!

Kendra's Komer

Well, obviously all I want to do is talk about this baby that is in my tummy! But, I will just ask that you keep me in prayer for good health and strength! Also, for baby to grow strong and healthy! I am so excited!

This month, I get to speak in a workshop at a ladies retreat in our home church! I am so excited, I get to speak on, Serving God in the Unplanned Journey!

Special News:

We found out in mid February that God is working a miracle! Kendra is pregnant with our 1st baby! She is due October 23rd! So far, so good she has had a great pregnancy! We are praying that the Lord continues to keep her and baby safe!

Because of Kendra's pregnancy, we are trying to book meetings close to home for the summer, please pray with us that God will book our calendar! She will be unable to travel after September, so it is very important that we get these meetings so that we can possibly pick up new supporting churches and get to the field next year! We trust that the Lord will take care of us and will provide!

Soul winning:

It is always nice to have the opportunity to go door knocking. While in a few of the churches we visited, Kendra and I both went door knocking! It is always sad to knock doors where the person is completely closed off to the gospel. Lately, it seems the more doors you knock the more people you find that are like this.

Pray for:

- Safety as we will be traveling to Wyoming and Kansas this summer! -That God will fill our calendar! -More supporting churches! -That we can be on the field in 2011.

Last time, I asked that you pray God would give us the opportunity to witness to my grandparents, James and Joyce Collins. We didn't get to see the results that we wanted: but they showed a desire to know more about what we do, so therefore, we were able to speak more freely about salvation! Pray that God will work on their hearts!
