April 2010

Dear Pastor and Church,

Brother Jesse Williams was a big help in the two weeks that he was here (March 2nd - 17th). We distributed 4,443 German tracts. We had a good time on the Czech Republic Outreach. We drove there to Missionary Jon Rettig's church. This was from March the 8th -11th. In three days we distributed 3,405 Chick tracts.

We had 10,000 Polish tracts already in stock here in Munich. The decision was made to send these tracts by package-service to Warsaw, Poland. Since Missionary Wilhelm Falk was on furlough, I was not going to drive alone all the distance to Warsaw. So on April 13th I flew from Munich. I worked with Missionary Paul Sock for one week. We were able to get out 12,000+ tracts.

Most of you heard about the Polish Government Airplane crashing and killing the President and his wife, and 94 others. The country was in mourning. We were not sure of what restrictions there would be on the streets of Warsaw. Our main tract was the Chick tract, "THIS WAS YOUR LIFE". Of course, it deals with life and death. It fit perfect, and we were allowed to get out and do street-work.

A young man named "Mike" walked by me, as I was distributing (sowing) the Gospel just outside an underground - exit and entrance. He turned around to me and asked, "Is that the ONLY tract you have? I received that one (THIS WAS YOUR LIFE) 30 years ago!" He is still lost. He stayed around and we spoke for several minutes. He had been to New York City in September 2001 and yes, he was there on 9/11. I said to him, "God is trying to reach you, and it is NO coincidence that I am here speaking with you." He didn't get saved, but he did return a second time in the day to speak with us. He also got to meet Missionary Paul Sock. Let's pray for Mike's salvation.

My return flight to Munich was for April 20th, but do to the volcanic-ash from Iceland all airplanes in Europe were grounded. GOD IS REALLY POWERFUL, ISN'T HE!? HE can change the plans of mankind in a heartbeat! I chose to take the train from Warsaw to Berlin and then to Munich, rather than "wait around" for a flight out of Warsaw. I'm still tired, but praising the Lord. THANKS for giving, as unto the Lord, and your trust in us.

In Calvary's bonds,
