Dear Pastor and Church Family,

Greetings to you from Louisiana. We have been trying to get this done for a little while but things have been busy. So let me tell you about the picture.

In the picture with my wife is Tanya. I told you about her in my last prayer letter. Tanya and Cathy were coming out while they were here training. Tanya is a Combat Advisor and is now in Afghanistan. Please pray for her because she is in harms way.

Tanya gave a clear salvation testimony and the neat thing about her is that after she gets out of the Army she will be able to witness to her family in the Dominican Republic which is where she is from.

We have been able to see Lillian and Louis come out a little more; but Louis is now at Fort Jackson for training for a few months. He will be coming back here after training. We also were able to witness to 22 soldiers from Fort Carson, Colorado. They were here for training before going to Afghanistan. Caren made a package of cookies for each one and we stuck a Gospel tract in it titled Airborne to Heaven.

Our garden is growing great this year and we expect to be able to save some grocery money by having it fresh and frozen from the yard. Next prayer letter I will put in a picture of that. Our church was able to put on "Once to Every Man and Nation" which is a Cantata about the life of Jacob Gartenhaus and how he came to know Christ. We did it on a Friday night and we all put a lot of work into it. Dr. Gartenhaus was disowned by his family just like I was after being saved.

Prayer requests remain the same this month. Please pray that the Lord will allow us to reach more of our Soldiers for him. In all the years of doing this we have never seen such indifference to the Gospel. Thank you again for allowing us to be here, thank you for both your prayers and monetary support.

Your Servants in Christ,

Stan and Caren Skriloff
