REACHING BLACK AMERICA AND BEYOND WITH THE GOSPEL OF JESUS CHRIST

March 27, 2010

Dear Co-laborers with Christ,

In I Samuel 17, we read where David said, "moreover, the Lord that delivered me out of the paw of the lion, and out of the paw of the bear, he will deliver me out of the hand of this Philistine." David's confidence waxed strong in the midst of what was seemingly insurmountable odds only because of the one who stood by him. I'm glad to know the same one stands by you and me! Even though much may seem to work against us, yet underneath are the "everlasting arms!"

We've come a long way since I reported about the fire that we suffered in our sanctuary. The Lord has supplied us with some very capable men that are doing the work and we have certainly enjoyed sharing the Gospel with each of them. For the most part, they have been very open and some have committed themselves to coming and worshipping with us once we are back in the building. Please pray for Paul, Ray, Steve and Greg. Ray is Steve's Dad and is an excellent brick mason visiting from the U.K. Our prayer is that the Lord brought him under the sound of the Gospel that he might be saved and not return home the same lost, hell-bound sinner that he was when he came here.

As for the work, we have had a major delay with the elevator platform caving in the sanctuary floor. Thank the Lord there were no injuries! We were hoping to be back in the building within the next 30 days but at this time that doesn't seem possible.

We're trusting that you are still praying along with us about the start up of another Church meanwhile. The Lord's work must go on and it is a joy to see the folks here wanting to see other Churches planted in the regions beyond. We know that we could not even begin to attempt such a work without prayer partners and financial supporters like you, and we thank the Lord for your concern for the souls of men. Sister Tammy and her two girls are coming right along and we are grateful for the Lord bringing them this way from California. May the Lord bless you and prosper the work of thy hands and fulfill the desires of your hearts. Please pray that the Lord would continue to lead, guide and direct us.

His most lowly servant,

Bro. Mike
