Hello Brothers & Sisters in Christ,

Thank you to all who have prayed for us and continue to pray for us, your prayers are very much appreciated. Over the last couple of months, we have had several notes, emails and contacts from our supporters letting us know that you are praying for us and it has been an encouragement to our spirits.

Our language studies are ramping up a little bit now as I try to cram as much into my cranium before I have to prepare for the government exam at the end of the year. Passing this exam has been the goal for my dedicated language studies, as such. I do not think I will ever quit learning Thai, but I do not plan to start a ministry until this point has been reached. Currently, I am studying one of the Bible modules, Maureen is studying the societal problems of Thailand and Jessica has started studying at the school twice a week. Jessica's reading in English is quite good and she has been hoping for the opportunity to study Thai in Phonetics.

This month (May) the Thai school year will resume and we are preparing the Student Center for some activities to be organized there. There are several missionaries who have just come to Thailand this year, and are in language school who have agreed to help teaching English and on Friday nights, we plan to have the activities and Bible studies. This is a new type of ministry for me and as I am to arrange the Bible studies, I would appreciate your prayers for my lessons and messages to be understandable in the Thai language.

During the month of June, Bro. Frederick (missionary/pastor of the New Life Baptist Church here in Chiang Mai) will be taking a one month furlough, which will give me an opportunity to fill in for him in five different services. This will be a great opportunity for me to 'practice' and, hopefully, will be an edifying time for the Church members as well! ☺

I am sure many of you have seen something about the political unrest that has been occurring here in Thailand. There have been 27 people killed and over 1,000 wounded over the last 6 weeks. Although things may change, right now it looks like the various factions are hammering out a compromise of sorts that will avoid any further bloodshed. Please pray that the results of this unrest will further the spread of the Gospel in this ripening field.

Thank you again for your prayers and faithful financial support in these challenging times.

*For His Glory,
Michael Sullivant Jr and Family*

*"Now unto the King eternal, immortal, invisible, the only wise God,
be honour and glory for ever and ever. Amen."*
