February 2010 Newsletter

Dear Friends, supporters, and prayer partners,

We trust that you are enjoying the spring weather and rejoicing in the beauty of God's creation as the trees and flowers begin to bud and blossom once more and the grass turns from dismal brown to a rich lush green.

It is our joy to report that we have been seeing mighty results in our prayer schools and revival meetings that we have had in March and April. God is igniting a flame in the hearts of many of His people concerning prayer which is spreading from church to church. People who have never prayed an hour are beginning to hunger for the sweet hour of prayer and they are beginning to see answers, which is adding fuel to the fire for prayer. Many testified in the prayer schools of the marvelous answers they received and we have been receiving e-mails from many more reporting of the mighty answers they are receiving as a result of prayer. Men and women are writing and telling us how God used the prayer school to change their lives and their walks with the Lord for which we say Hallelujah, praise God. We have received word from one church how God has been saving souls, stirring the baptismal waters weekly, and revival is taking place in hearts and lives as a result of the recent prayer conference we held there. We covet your prayers for these prayer schools that God would continue to pour out His power and bring His people to their knees.

During our revival meetings we have also seen God's power at work. In Fargo, North Dakota, a lady enthusiastically informed us that her marriage was salvaged as a result of the meetings. In Tennessee, God kept a young couple from going to the divorce court and led their hearts to seek to build their house on the rock and not on the sand. We are still hearing reports of God continuing to work in lives as a result of the revival meetings, for which we are so thankful and glory in His goodness.

The Lord has shown us through prayer and His Word that He wants us to relocate the headquarters of our ministry to Southern Indiana to more effectively reach the churches and God's people. We have placed the ranch up for sale and would like to ask you to pray that God would sell both this ranch and our place in Belgrade, Montana which is still on the market. We have perfect peace in His leading us this way and are confident that He will sell both places and provide us with the place He wants us to have in Indiana. We will keep you all updated and let you know when we will be moving. We praise the Lord that the Highfill family will be moving with us and would ask you to pray for them as well.

Please continue to pray for:

- The radio ministry
- The CD & film ministry
- Our prayer schools and revival meetings in May, June and July

We love you and thank God for you,

Dr. & Mrs. Tom Williams
