April 14, 2010

Dear Brothers and Sisters in Christ,

John 9:4 "I must work the works of him that sent me, while it is day: the night cometh, when no man can work." Every day that we are now facing reminds me of the closeness of the Lords coming. The rapture of the church out of this world is eminent. The job that our Lord has called us to do is more urgent now than ever before. The fields are white unto harvest and how we need the Lords help in these days. One, to be a light and two, to be a blessing... that is our hearts desire.

This has been a wonderful year already in seeing souls saved! The Lord has been so good us!! I want to thank each and everyone of you for the prayers you have uttered on Stephanie's behalf. Her health is better and to date she has lost between 140-150 pounds. She has been able to get off of some of her medications she was having to take. And I for one would like to say Glory to God!!

We are currently in Middleburg, Florida at Cinnamon St. Baptist Church and we started here on April 11, and have had one saved. Please pray for this church and that I will be a help to them and that the Lord will give Pastor Rick Windham wisdom as their pastor.

We go from here to St. Mary's Georgia to be with Pastor Edward Dixon and from there to Milan, Tennessee, to be with Pastor Doug Powell. We are going to be out west in Jackson, Wyoming in April as well at Mountain View Baptist Church, with Pastor Jon King. We are so excited to see what the Lord has in store for us. We have a lot of miles to cover so we do covet your prayers for our safety.
